

# summer camp **2021** WEEKLY SESSIONS BLAST! Breakdown

## June 1-4: From Myths to the Stage

**1**  
WEEK

Opa! Do you love the theater? Do you know the Greek Myths? This week we will take a look into ancient Greek culture. What parts of our world today came from this society? We will pull out the ancient scrolls with comedies and tragedies and create masks for each. Campers will learn about some of the different Greek gods and how they helped the people of Ancient Greece. *Each camper will even be able to take home their very own pinch pot decorated with one of our stories from this week!*

## June 7-11: Crikey, Look at the Animals!

**2**  
WEEK

Are you the next Steve Irwin or Jane Goodall? Do you love animals and love learning about how and where they live? If so, this ferociously fun week of camp is just for you! We'll take to the land, sky, and sea as we study the remarkable creatures across the globe, including the arctic tundra, rainforest, jungle, desert, and oceans deep. We will learn about animal habitats and create many critter crafts and costumes. We'll explore our "wild sides" as we stomp like elephants, run like cheetahs, and swim like fish. This week is sure to be a roaring good time! *Twisted Mr. Rogers will be our guest this week to create your favorite balloon creature.*

## June 14-18: Spy Work? That's Easy!

**3**  
WEEK

Calling all recruits! Have you ever wanted to be a spy? Do you have a talent for figuring out mysteries or keeping secrets? This week is a training academy to learn what it takes to become the number one agent for our elite group of spies. Develop your own unique disguise as you go on undercover operations. Create and use a variety of spy gadgets. Learn how to break secret codes, using math and science. Sherlock Holmes himself, would be proud of our camp detectives. Each day will be action packed with top-secret missions and mysteries to be solved! *We'll wrap up this week with a fantastic scavenger hunt using clues and mystery maps!*

## June 21-25: Superheroes Assemble!

**4**  
WEEK

Shazam! Bam! Pow! The comic books come to life right before your eyes this week! Adventure awaits each camper stepping into Stan Lee's Avengers series or Superman's metropolis. Campers can choose between being a hero or a villain during this week. Whether you have the powers of making capes, shields, masks, or comic books, this is a week for SUPER campers! *You never know which superhero will make a surprise visit. Maybe we'll meet the real Batman, Spiderman, or Wonder Woman. We can't wait to find out!*

## June 28-July 2: Don't Overreact!

**5**  
WEEK

Did anyone say SLIME? We'll have an ooey gooey, slimy time this week! Whether in play or learning, this week is sure to be a favorite with the campers. Our science lab will be used each day mixing, dissolving, and figuring out what happens when.... We'll test the power of your senses with squishy activities, smelly experiments, and sticky materials. We may bake some delicious treats that really don't look too inviting. Don't let the theme scare you. Nothing to fear here other than missing out on this messy, fun week. *We will end this week making our own ooey gooey snow cones. What concoction will you create?*

## July 6-9: It's a Party in the USA!

**6**  
WEEK

Although this may be a short week of camp, it will be packed full of Red, White, and Blue adventures! Join us for lessons in American history and game activities: as we play Revolutionary War Capture-the-Flag and our own splashy version of the Gold Rush. Who knows, we may even organize our own campaigns for president or march for Uncle Sam. All winners here! Come join us for this Yankee doodle dandy week! *Ending our week, we'll celebrate with an All-American, Independence Day picnic, complete with hot dogs, watermelon, and of course, a flag cake!*

## July 12-16: Master Chef Jr.

**7**  
WEEK

This is a casting call for all young and aspiring chefs! If you love food and want to expand your culinary skills, then we've whipped up this week just for you! Young chefs will don aprons and dust off recipes while learning how to follow directions, measure ingredients, and create delectable treats. We will make and serve homemade butter, fresh syrup, and perfectly fluffy flapjacks for all of our hungry customers! Bon Appetit! *After perfecting our culinary abilities throughout the week, we will host the grand opening of the Camp BLAST Café!*

## July 19-23: American Ninja Warrior Jr.

**8**  
WEEK

Are you ready to improve your physical and mental strength? Each day there will be new obstacle courses to conquer. Campers will test their coordination and agility with daily challenges. Balance beams, relay races, and beat the clock activities await our ninja warrior campers. When we're not moving through creative mazes, we'll be working through puzzles and mental games. Mastering skills, campers will work each day to earn a new color belt. Get your muscles and brain-power ready for this action-packed week! *All your hard work will be rewarded with a fun-filled giant waterslide day!*

## July 26-30: The Happiest Place on Earth

**9**  
WEEK

When you wish upon a star, you may just discover the whole new world of Walt Disney himself, his films, characters, and theme parks. Be our guest as we let it go! Use your own imagination to craft creatures like Nemo and Dory and Sully and Mike from the land of Monstropolis. We may even make a few dishes like Remy the Rat along the way. Don't forget to bring your opinions for critic time each day during film screening! Thank you for letting us be part of your world this summer! *For our grand finale, we will make magical sparkling and delicious homemade ice cream sundaes!*

All items should be labeled clearly with the camper's name.

**Lunch:** Each camper should bring a sack lunch Monday-Thursday. We have plenty of microwaves, but not enough refrigeration for lunches. **Camp Canteen:** The camp canteen will be open each day, and will offer snacks and drinks for campers for break times. Each item is \$1.00, which includes all drinks such as bottled water, soft drinks, and juice boxes, as well as snacks such as chips, cookies, fruit, and candy. Campers may choose to have an account in his/her name and withdraw canteen payments as needed. Our canteen will not contain *meal type foods* so please do not send money for your camper to purchase his/her lunch at the canteen. We do stock "morning type" snack items such as pop tarts, breakfast bars, and juice, which are available for Early Risers as well as all day.

**Special Events:** Camp BLAST will not have off-campus field trips for the safety of our campers. We will instead have a special on-campus event planned each week that relates to the appropriate theme. Our campers look forward to these exciting weekly highlights. All special events will be held on Fridays.

**Mandatory Withdrawal:** Each student enrolled at the Bowie Center is expected to behave in an appropriate manner. The Bowie Center reserves the right to dismiss a student whose behavior results in a serious discipline problem. The Bowie Center administration has the authority to make this decision in the best interest of the students and the center. No refunds for the week will be given for a student who is dismissed from any of the Bowie Center's programs.
