summer camp **20** WEEKLY sessions **BLAST!** **22** Breakdown

May 31-June 3: Welcome to the Big Top!

1
WEEK

Come be the Ringmasters of the Bowie Circus! It's time to pitch the tent and create all the animals that you can think of! We'll learn about the tightrope walkers, trapeze artists, animals that can lift thousands of pounds, and so much more!

Maybe we'll think of a few new animals to join to our circus. *Twisted Mr. Rogers will stop by on Friday to help us create our favorite balloon animals.*

June 6-10: Artists Gone Wild!

2
WEEK

Watch for spilt paint! Spend this week creating your masterpieces and learning about the different types of art! We'll create all week long – whether it's visual art made with our hands, music made with our voices and instruments, or dances made by moving our bodies. Get ready to create your way through the week as we lead up to our very own art gallery! *The gallery will showcase all of our favorite pieces and artist statements from the week.*

June 13-17: What a Magical World!

3
WEEK

It's time to grab your wands, your potion recipes, and your sense of wonder! Throughout the week we'll learn different potions and the real science behind all of the magic. We'll study all of our ingredients to figure out which ones have crazy reactions and which ones make tasty treats. There's so much to learn about our magical world, but we'll be sure to have some downtime as well. You'll have a chance to play magical games that include our very own spells and tricks. *At the end of the week, all of our top magical students will get to sample our tastiest creations.*

June 20-24: Wild Wild West

4
WEEK

Let's take a trip out West. Learn the stories of the Cowboys, the Native Americans, and how life was during the Wild West. Look at the different types of terrains, animals, and activities there were during the 1800's. Try throwing a horseshoe and maybe learn how to throw a lasso! It's time to transform into cowboys and cowgirls and take a ride into our country's history. The best cowboys and cowgirls get promoted to Sheriffs and have to stop the Outlaws and send them to the hoosegows! *End the week with a true wild west shootout – using colored powder of course!*

June 27-July 1: My Heroes are...

5
WEEK

Are you ready to learn about your favorite Superheroes!? Join us not only to learn about the Marvel and DC Superheroes, but also to create our own. Have you ever thought about the Superheroes that don't always wear capes? What Superheroes can you see in our community? Let's think about how you can be a Superhero every day! *We may have a few of our own Superheroes joining us at the end of the week!*

July 5-8: Holiday Extravaganza

6
WEEK

It's time to party! Although the week may be short, the amount of fun won't be! Join us in our exploration of the history of how America became America. It's time to break into teams and have the conversations that our Founding Fathers did. If you were in charge of creating our country, what would you change? In the same respect, we'll look at other countries and see which holidays they celebrate. *No party is complete without a feast, so we're having an Independence Day picnic! Grab your blankets and sit with friends while you enjoy hotdogs, watermelon and cake!*

July 11-15: Kids Baking Champions

7
WEEK

Welcome to the Bowie kitchen, let's see how well you work with a whisk and deciphering what ingredients are listed in the recipe. Are you ready to get started? Each chef will create their own apron and chef hat, while learning how to measure fractions by using pies! Chefs will take turns learning how to create menus, run orders, and deliver the food to their tables – all in preparation for the end of the week. After making homemade butter and syrup, we will be ready to serve our customers! *Join us on Friday when Camp BLAST Café will be open for business to serve a pancake breakfast!*

July 18-22: Watch out for the Wipeout Zone!

8
WEEK

Get ready to think through and hop over all of the big balls when you exercise your brain and body! Each day you'll conquer a new obstacle course and challenge. We'll work together to make sure that everyone makes it through each course with no Wipeouts! *Wipeouts are only allowed on the last day during our fun-filled waterslide day!*

July 25-29: Time to be Treated like Royalty

9
WEEK

Our last week of camp is all about medieval times – kings and queens ruling the land, knights slaying dragons, and the court jester goofing off. We all have our job to do to keep this kingdom running. Can you help us prepare for the Grand Ball at the end of the week? It's bound to be a great party, but there's a lot of hard work to be done. Help us gather all the supplies, protect the castle, and make sure everyone in the kingdom is ready. *During the ball we shall create the sweetest treat – homemade ice-cream.*

LIT's will work along side our counselors each week as we provide tailored lessons to help each student develop confidence and leadership skills. Our goals will be for each LIT camper to:

- Learn the qualities of a good leader.
- Experience new and exciting challenges.
- Develop critical thinking skills.
- Practice effective communication skills.
- Receive constructive feedback.
- Build his/her confidence.

* *The half-day option does not apply to the Early Bird discount.*

Multi-Child Discount: Families who enroll more than one child for four or more sessions will receive a discount of \$50 off each additional child's registration fee.

What to bring: Students should wear comfortable clothes for play. Tennis shoes are not required but preferred. The Bowie Center is not responsible for lost or stolen items, so please do not send your child with valuables. Each student should bring a beach towel to be used when we sit on the floor. Campers should bring a swimsuit, flip-flops or water shoes (a must for the hot pavement), a towel for water play on hot days, and a spray bottle of sunscreen. All items should be labeled clearly with the camper's name.

Lunch: Each camper should bring a sack lunch Monday-Thursday. We have plenty of microwaves, but not enough refrigeration for lunches. You will need to provide a coolant if you want to keep your child's lunch cold. Drinks may be purchased at the camp canteen for \$1.00. Please make sure your child's name is on his/her lunch box. Each Friday we will have *Fantastic Pizza Friday*. The fee for your camper's pizza and drink is included in the registration fee. If you do not want your child to eat pizza, please send a sack lunch on Fridays as well.

Camp Canteen: The camp canteen will be open each day, and will offer snacks and drinks for campers for break times. Each item is \$1.00, which includes all drinks such as bottled water, soft drinks, and juice boxes, as well as snacks such as chips, cookies, fruit, and candy. Campers may choose to have an account in his/her name and withdraw canteen payments as needed. Our canteen will not contain *meal type foods* so please do not send money for your camper to purchase his/her lunch at the canteen. We do stock "morning type" snack items such as pop tarts, breakfast bars, and juice, which are available for Early Risers as well as all day.

Special Events: Camp BLAST will not have off-campus field trips for the safety of our campers. We will instead have a special on-campus event planned each week that relates to the appropriate theme. Our campers look forward to these exciting weekly highlights.

Mandatory Withdrawal: Each student enrolled at the Bowie Center is expected to behave in an appropriate manner. The Bowie Center reserves the right to dismiss a student whose behavior results in a serious discipline problem. The Bowie Center administration has the authority to make this decision in the best interest of the students and the center. No refunds for the week will be given for a student who is dismissed from any of the Bowie Center's programs.
